

We believe that with the right support every person can **achieve their potential**.

The Do Good Charity believes that every person has intrinsic worth and inherent dignity, and that with the right support each and every person can achieve their potential.

We don't have one standard approach but creatively provide help and support to people in the way they want.

We continue to be inspired by the story of our founder, Saint John of God, who left us a legacy of providing value-based service to those most in need.

Residential Care

At Dalby View we provide 24-hour care and support for adults with physical and/or learning disabilities and long-term health conditions.

We aim to ensure that this is not just a place to live, but is a home, and the people living here are encouraged and enabled to make their own choices and decisions in as many aspects of their lives as possible.

Personalised Support

The needs of the people using the service are paramount in the design and delivery of the support, which is developed on an individually assessed basis with each individual and their families. People who use this service maintain regular contact with social services, and access doctors, chiropractors, opticians and dentists on an individual basis. Strong community links are developed and access to community resources is encouraged.

Accommodation

The two bungalows, which opened in 1993, are purpose built and have been well designed to meet the needs of the people using the service. Each has four bedrooms, all single occupancy and with washbasins. All rooms have television points. Each bungalow has a large, airy conservatory and comfortable, well-furnished lounge, dining and kitchen areas. Individuals are encouraged to bring with them personal belongings, and their bedrooms are decorated to their own choice. There is also a large, spacious garden, with a patio area. Visitors are welcome at any time and there is ample parking.

Support Team

A competent, caring and committed staff team is available to meet the needs of those who use our services. Training and development of staff is a key priority for us to ensure service delivery is of the highest standard.

HOME FEATURES

- Spacious accommodation to meet individuals' needs
- Single occupancy bedrooms

- Call alarms in all rooms
